YOU ARE IN The Right Place IF YOU

long for a career that is filled with purpose, passion and satisfaction

The regular 9-5 just doesn't cut it for you anymore. You feel no joy, get zero reward or appreciation for the work you do. You find yourself counting down the days to your next holiday but finally realise this is no way to live your way. You are meant for more and are able for it.

Find enjoyment in helping others but never knew how to take the next step towards this

You know the WLA Coaching Certification is the proven, evidence based, step by step roadmap that can take you from where you are now, to where you want to be. Having the tools, confidence, education, skills and training to not only transform your life but the lives of 1000's of women excites you.

Desire freedom and flexibility

Having true freedom is deciding when you work, how you work and how much you work for and many more women are finally having the courage to step up and say, "I want this". As a certified WLA Coach, you will have the flexibility to be location independent, create your own hours and daily routine. You will have the tools to build a lucrative career that sets your soul on fire on your own terms rather than being dictated by your manager.

Have an interest in nutrition, behavioural change and coaching

You find nutrition fascinating and realise the power of behavioural change for best results. As a WLA coach your clients will get long lasting results

Want to help women end the dreaded dieting cycle and seeing them thrive in their body and relationship with food

"Obesity is one of the leading risk factors for premature death. It was linked to 4.7 million deaths globally in 2017" (Our World Data 2022) - these numbers are increasing exponentially every year. The problem is most women lack true education and support. As a WLA certified coach, together we can change this. Together we can positively impact the world by supporting clients with taking control back of their physical health in a positive way. There has never been a bigger demand for this work.

Get on the waiting list

Registration will open soon for the September 2023 Cohort.
Limited spots will be available!

We can ignore the feeling of wanting more in life, more fulfillment, more satisfaction, more freedom and more income but the truth is when we step towards our desires, life changes in ways we could never imagine.

As that's how we create a better life for ourselves, doing new

Testimonials

While working with Anna **my confidence has increased**, I am more willing to try different things and push myself out of the box. I know if I am stuck that I can turn to Anna.

Anna is honest, kind, listens, professional and delivers with the heart.

She is so committed in making sure her client's voice is being heard and will go the extra mile to make sure the end product is what was visioned if not better.

Abshiad Z., United Kingdom

I have worked with Anna on many projects over a few years and **the outcome has always been phenomenal.**

Anna delivers a high standard of work, is really easy to work with and incredibly helpful.

Anna has an eye for detail and can easily put together what we need from a design perspective. **Highly recommended and such a pleasure to work with every time.**

Anna W., Dubai, United Arab Emirates

Anna is amazing and has a lot of knowledge in her field. She went into great detail on visual branding and really getting down and defining who my target market is and how to target them.

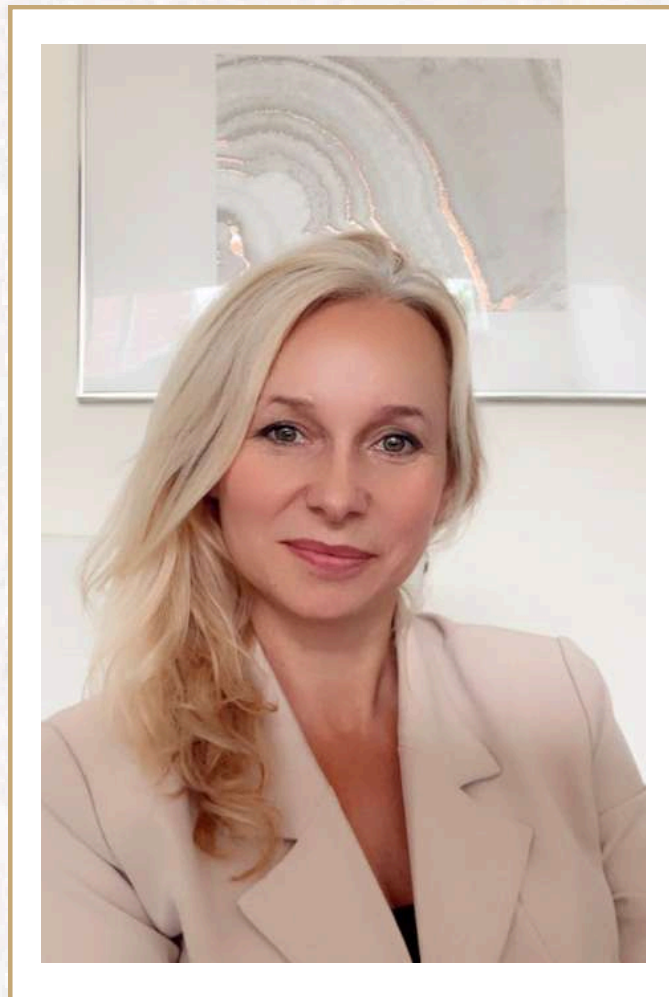

With her support I was able to dig deeper to really define what make my business unique.

I highly recommend Anna to anyone who would like to develop a luxury brand"
